

"Thank you so much for allowing us to have Hellens as a venue. The day was perfect and the staff were a calming influence and wonderful. All our guests loved the venue, we have had so many positive comments about the setting"

Your wedding at Hellens Manor

Hellens - 'the jewel in the crown of Herefordshire Homes' (Country Homes) – is a beautiful historic manor house in Much Marcle. A totally unique and exclusive wedding venue with only a small number of wedding bookings per year.

Wedding Ceremony

We have two fabulous venues licensed for civil ceremonies. Our oak-panelled Music Room in the Manor House is licensed for 60 guests, and if you need more space, the Great Barn comfortably seats 100.

"It really was the perfect day, we had the best time of our life. All of the staff were absolutely great, so relaxed and helpful."

*"Hellens is so magical and your staff
make it extra special"*

Drinks Reception

Your drinks reception can be enjoyed in the East Hall or, if the sun is shining, on the East Terrace overlooking the wild flower meadow. The gardens and grounds are wonderful – with orchards, a dovecote, a labyrinth, sculptures and a couple of donkeys to mention but a few features!

Wedding Breakfast

With its beams and vaulted ceiling, the Great Barn is the perfect space for you to add your own decorations for your personal touch – your wedding can be as individual as you are.

Food and Drink

We can recommend caterers to suit everyone's needs and budgets; your caterers will have exclusive use of our fully equipped kitchen. We are a licensed premises and our bar is located in the Haywain next to the Great Barn. A wonderful place to enjoy the beautiful Herefordshire countryside, surrounded by apple trees, with your friends and family as the sun begins to set.

"We just want to say a massive thank you for all your input in making our wedding day so special. It was absolutely fantastic from start to finish and we are so grateful for all your help both in the build up and on the day itself."

Evening Reception

As the wedding breakfast comes to an end we will transform the top end of the Great Barn into a dance floor area. The lights are lowered and the party begins. We have a fully integrated sound system and can recommend a variety of entertainment and music to suit all tastes for a great evening.

"The location was perfect and looks amazing in the photos. Your organisation made the day flow seamlessly. "

Accommodation

We have three ensuite double bedrooms and seven single rooms with shared facilities available in our beautifully refurbished Georgian Stables.
