Hellens

Sustainable Weddings

Your Wedding at Hellens

Hellens - 'the jewel in the crown of Herefordshire homes' (Country Homes) – is a beautiful thirteenth century manor house in Much Marcle. A totally unique and exclusive wedding venue with only a small number of wedding bookings each year.

Our beautiful 16th century Great Barn has exposed beams and is spacious enough for 100 guests.

We pride ourselves on offering a personal wedding service which includes support and advice from our wedding coordinator.

"It was the perfect setting, we had the best time of our life"

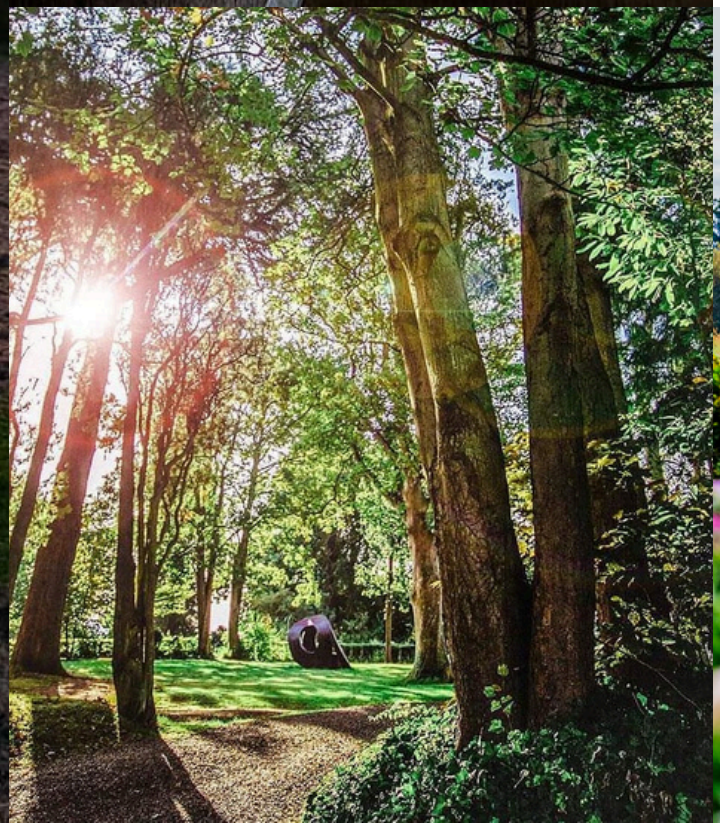

Grounds & Gardens

The grounds and gardens are full of wonder and beauty with an abundance of secret spaces, sweeping lawns, wildflower meadows and orchards. They include a 17th Century dovecote, a yew labyrinth, sculptures, woodlands, ponds and donkeys - plenty of opportunities for truly memorable photographs.

“Hellens is so magical and your staff make it extra special”

Drinks Reception

Your drinks reception can be enjoyed in the East Hall and our beautiful oak panelled Music Room in the Tudor manor house.

If the sun is shining, your guests will enjoy their drinks on the East Terrace overlooking the wild flower meadow with wonderful views to the Malvern Hills.

Wedding Breakfast

With its beams and vaulted ceiling, the Great Barn is the perfect space for you to add your own decorations for a personal touch – your wedding can be as individual as you are.

"We just want to say a massive thank you for all your input in making our wedding day so special. It was absolutely fantastic from start to finish and we are so grateful for all your help both in the build up and on the day itself."

Food and Drink

We will work with you to find caterers who pride themselves on sourcing good, local, sustainable ingredients to create food of exceptional quality, to suit everyone's tastes and budgets.

Your caterers will have exclusive use of our fully equipped kitchen. Our bar is located in the Haywain next to the Great Barn; a wonderful place to enjoy the beautiful Herefordshire countryside, surrounded by apple trees, with your friends and family as the sun begins to set.

Evening Reception

As the wedding breakfast comes to a close, the Great Barn can be transformed into whatever you want to create for your evening entertainment.

When the lights are lowered, the party begins.

"The location was perfect and looks amazing in the photos. Your organisation made the day flow seamlessly. "
